The only warranties for products and services of Micro Focus and its affiliates and licensors (“Micro Focus”) are as may be set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. Micro Focus shall not be liable for technical or editorial errors or omissions contained herein. The information contained herein is subject to change without notice.

Documentation updates

The title page of this document contains the following identifying information:

- Software Version number, which indicates the software version.
- Document Release Date, which changes each time the document is updated.
- Software Release Date, which indicates the release date of this version of the software.

To check for updated documentation, visit <https://www.microfocus.com/documentation/connected-mx/>.

Support

Visit the [MySupport portal](#) to access contact information and details about the products, services, and support that Micro Focus offers.

This portal also provides customer self-solve capabilities. It gives you a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the MySupport portal to:

- Search for knowledge documents of interest
- View software vulnerability alerts
- Enter into discussions with other software customers
- Manage software licenses and support contracts
- Submit and track service requests
- Contact customer support
- View information about all services that Support offers

Many areas of the portal require you to sign in. If you need an account, you can create one when prompted to sign in. To learn about the different access levels the portal uses, see the [Access Levels descriptions](#).

Release Notes

Connected MX Mobile App 4.6.0

This document is an overview of the changes made to Micro Focus CMX Mobile App 4.6.0 for both Android and iOS. It contains important information not included in other documentation about the following items:

- [Enhancements, below](#)
- [Limitations, below](#)
- [Installation, on the next page](#)

For information about the installation requirements and compatibility of this release with other products, see the associated *Micro Focus Connected MX Mobile App 4.6.0 Support Matrix*. The support matrix may be updated between releases, so it is available only from the [Connected MX documentation site](#).

Enhancements

This section identifies the enhancement for this release. For more information, contact Micro Focus Support.

New corporate branding. The CMX mobile apps are now branded under the Micro Focus name.

Limitations

This section describes the limitations for this release. For more information, contact Micro Focus Support.

Issue: You cannot log in to the Android or iOS mobile apps using a CMX email address that contains special characters. (TT-32603/TT-32602)

Installation

You can download the mobile apps for free from the App Store or Google Play. The Downloads page of the CMX web application provides direct links to the app in each store.
